(Art. 248. Free Schools; for Whom; Apportionment of Funds.)

There shall be free public schools for the white and colored races, separately established by the General Assembly, throughout the State, for the education of all the children of the State between the ages of six and eighteen years; provided, that where kindergarten schools exist, children between the ages of four and six may be admitted into said schools. All funds raised by the State for the support of public schools, except the poll tax, shall be distributed to each parish in proportion to the number of children therein between the ages of six and eighteen years. (10) mills on the dollar of the assessed valuation of the property in such subdivisions.

No bonds shall be issued for any other purpose than that stated in the submission of the proposition to the taxpayer, and published for thirty (30) days as aforesaid, or for a greater amount than therein mentioned; nor shall such bonds be issued for any other purpose than for constructing, improving and maintaining public roads and highways, paving and improving streets, roads and alleys, purchasing or constructing systems of waterworks, sewerage, drainage, navigation, lights, public parks and buildings, together with all necessary equipments and furnishing, bridges and other works of public improvement, the title to which shall rest in the subdivision creating the debt, as the case may be; nor shall such bonds run for a longer period than forty years (40) from their date or bear a greater rate of interest than five per cent (5) per annum, or be sold for less than par. No such drainage bonds shall be issued for any other purpose than that for which said contributions or acreage taxes were voted or run for a longer period than forty (40) years from their date or bear a greater rate of interest than five (5) per cent per annum or be sold for less than par.

When the character of any land is such that it must be leveed and pumped in order to be drained and reclaimed, the Board of Drainage Commissioners of the district in which the land is situated, shall, upon petition of not less than a majority in acreage of the property taxpayers, resident and non-resident, in the area to be affected, ascertain the cost of drainage and reclaiming said land and incur debt against said land for an amount sufficient to drain and reclaim it, and issue for said debt negotiable bonds running not longer than forty (40) years from their date and bearing interest at a rate not exceeding five (5) per centum per annum, payable annually or semi-annually, which bonds shall not be sold for less than par; and said Board of Drainage Commissioners shall levy annually upon said land forced contributions or acreage taxes in an amount sufficient to maintain the drainage of said land and to pay the interest, annually or semi-annually, and the principal falling due each year, or such amount as may be required for any sinking fund provided for the payment of said bonds at maturity; provided, that such forced contribution or acreage taxes, for all purposes shall never exceed Three Dollars and Fifty Cents (\$3.50) per acre per annum.

The police juries of the various parishes throughout the State, for the purpose of constructing highways and public buildings for the parish, and the governing authorities of municipal corporations, for the purpose of paving or improving streets or alleys, or for other municipal improvements, after making provision for the payments of all statutory and ordinary charges, may fund into bonds running for a period not exceeding ten (10) years, and bearing interest at a rate not exceeding five (5) per centum per annum, which bonds shall not be sold for less than par, the avails of the residue of the ten (10) mill tax authorized by Article 232 of the Constitution of Louisiana."

INHERITANCE TAX IN FAVOR OF PUBLIC SCHOOLS.

ACT No. 42 OF 1912.

Section 1. That Section 1 of the Act 109, of 1906, approved July 7, 1906, be amended and re-enacted so as to read as follows:

That there is now and shall hereafter be levied, solely for the support of the public schools, on all inheritances, legacies and other donations mortis causa to or in favor of the direct descendants or ascendants or surviving wife or husband of the decedent, a tax of two per centum, and on all such inheritances or dispositions to or in favor of the collateral relatives of the deceased, or strangers, a tax of five per centum on the amount or the actual cash value thereof at the time of the death of the decedent.

Section 2. That Section 2 of said Act 109 of 1906, approved July 7, 1906, be amended and re-enacted so as to read as follows:

The said tax shall not be imposed in the following cases:

(a) On any inheritance, legacy, or other donation mortis causa to or in favor of any ascendant or descendant or surviving wife or husband of the decedent below ten thousand dollars in amount or value.

(b) On any legacy or other donation mortis causa to or in favor of any educational, religious or charitable institutions.

(c) When the property inherited, bequeathed or donated shall have borne its just proportion of taxes prior to the time of such donation, bequest or inheritance.

(Manner of Taking Possession of Succession.)

Section 3. It shall be unlawful for any heir, legatee or other beneficiary of a donation mortis causa to take or be in possession of any part of the things or property composing the inheritance, legacy or other donation mortis causa, or to dispose of the same or any part thereof, until he shall have obtained the authority of the court to that effect, as hereafter provided; and in case he shall so take or be in possession or shall so dispose of such things or property, or any part thereof, he shall no longer have the right of renouncing such inheritance or donation mortis causa, and

shall remain personally liable for the tax thereon; but he may, without waiting for authority to do such acts as may seem necessary to preserve the property from waste, damage or loss.

(Duty of Executor.)

Section 4. The executor of the will of a person deceased, or the administrator of his succession, shall, after payment of his debts, proceed against the tax collector and all the heirs and legatees of the deceased summarily, by rule before the court which has jurisdiction of the succession, to fix the amount of tax due by each heir or legatee, and on trial thereof the court shall render judgment for the same against each heir or legatee, with interest and costs, as hereinafter provided.

(Amount of Taxes to Be Deducted by Executor.)

Section 5. The executor or administrator shall thereupon pay to the tax collector the amount of tax, with interest and costs, so fixed, on each inheritance, legacy or donation, out of the funds comprised therein, if sufficient. Should there not be sufficient funds, the court shall, on the application of the heir or legatee, grant an order for the sale of the property composing such inheritance, legacy or donation, or so much thereof as may be necessary, for the purpose of paying such judgment. If the same be not paid by the heir or legatee, or an order of sale be not granted, as above provided within thirty days after the date of the judgment, the court shall, on the application of the executor or administrator, grant an order of sale for the said purpose, as above provided, and the executor or administrator shall pay the said judgment out of the proceeds of the sale.

Such sale shall be made in such manner, and on such terms and conditions as the court shall prescribe, and the expense thereof shall be borne by the heir or legatee.

(Duty of Executor.)

Section 6. No executor or administrator shall deliver any inheritance or legacy until the tax thereon shall be fixed and paid, as herein provided; otherwise he, together with his surety, shall be personally liable for said tax, with interest and cost. And no executor or administrator shall be discharged until it is shown that all taxes under this Act, due by the heirs and lega-

tees, have been paid, or until it is judicially determined by the process herein provided that no tax is due.

(Duty of Legal Heir.)

Section 7. In all cases in which an administration is not ordered by the court, the legal or instituted heir, or universal or residuary legatee, shall within six months after the death of the decedent, or, should there be a will, within the same time after the discovery of the same, present to the court a detailed descriptive list, sworn to and subscribed by him, of all items of property contained in and composing the estate of the decedent, and therein shall state the actual cash value of each such item at the time of the death of the decedent, and service thereof shall be made on the tax collector who shall have the right to traverse the same. Should the deceased have made special or particular legacies or donations mortis causa, the legatee shall also be served, and after summarily hearing the parties the court shall fix the amount of tax due as aforesaid by each such heir or legatee, and shall render judgment therefor, with interest and costs, against each of them.

(Amount of Tax to Be Deducted.)

Section 8. In the same manner as provided in Section 5, the heir or universal or residuary legatee shall thereupon pay or take measures for the payment of the tax due on all special or particular legacies or donations.

(Property May Be Sold to Pay Taxes.)

Section 9. The heir or universal residuary legatee may likewise obtain an order for the sale of the property of his inheritance or legacy, or part thereof, for the purpose of paying the tax thereon. But if such tax be not paid, or such order of sale be not made within thirty days after the date of the judgment fixing the amount of the tax, a similar order for the same purpose shall be granted on the application of the tax collector, and thereunder any property forming part of the inheritance or legacy may be sold, and the proceeds thereof shall be applied to the payment of the tax with interest and costs.

(Duty of Heir to See that Tax Is Paid.)

Section 10. The heir or residuary or universal legatee shall

not deliver any legacy until the tax thereon shall have been fixed and paid; otherwise he shall be personally liable for the said tax, with interest and costs.

(Search for Will; When Made.)

Section 11. If during the six months next following the death of any person leaving property, movable or immovable, within this State, an administration of his succession be not applied for, or his legal or instituted heir or universal or residuary legatee do not apply to the court to be placed in possession thereof, as herein provided, the court shall ex parte and on the application of the tax collector grant an order directing that a search be made for the will of the deceased by a notary public, and in aid of the same may order that all persons having in their possession or control any books, papers or documents of the deceased or any bank-box, safe deposit vault or other receptacle likely or designed to contain the same, shall open such receptacle and exhibit the contents thereof, as well as all other books, papers and documents of the deceased, to the said notary.

(Court May Appoint Executor.)

Section 12. Should the said notary find any document appearing to be the will of the deceased, he shall take possession of the same and produce it in court; and on application of the tax collector, or of any party in interest, the court shall proceed to the probate thereof, as now provided by law. If an executor be therein appointed, the person named shall be notified, and if he do not within ten days after notification accept the appointment, and if within the ten days next following this delay no person entitled to be appointed dative testamentary executor shall apply for the appointment, then the Public Administrator in the Parish of Orleans, and in the other parishes the tax collector, shall be appointed dative testamentary executor of the said decedent, and the administration of his succession shall proceed as herein directed and according to existing law.

(Procedure Where No Will Is Found.)

Section 13. If the notary can find no will, he shall report the fact to the court; and thereupon the tax collector shall proceed against the legal heir or heirs of the deceased summarily

by rule to fix the amount of tax due by him or them, and each of the heirs shall be ordered, within a delay to be fixed by the court, which may be extended from time to time, in the discretion of the court, to make and file a detailed descriptive list, sworn to and subscribed by him, of all the items of property contained in and composing the estate of the decedent, stating therein the actual cash value of each such item at the time of the death of the decedent, and the tax collector shall have a right to traverse the same. On trial of the rule the court shall fix the amount of tax due by each of the heirs, and shall render judgment for the same against each of them, and in such case, as well as in the cases mentioned in Section 12, shall include in the costs payable by the heir or legatee a fee of not more than ten per cent on the amount of tax due by each heir or legatee in favor of the attorney for the tax collector. In the same manner and under the same conditions as provided in Sections 5 and 9 of this Act, such heirs or legatees shall have the right to procure the sale of their inheritances or legacies for the purpose of paying the tax due thereon, with interest, costs and attorneys' fees; and if payment thereof be not made by the heir or legatee, or if an order of sale, as above provided, be not granted, within thirty days after the date of the judgment, the tax collector shall be entitled to a similar order, and thereunder any property forming part of the inheritance or legacy may be sold.

(Any Heir May Institute Proceedings and Receive Fee.)

Section 14. Should there be more than one legal or instituted heir or universal or residuary legatee any one of them may institute the proceedings provided by this Act, and the others shall be made parties thereto and such heir shall be entitled to recover out of the mass of the succession one reasonable attorney's fee, besides his costs.

(Rights of Creditors Preserved.)

Section 15. Nothing contained in this Act shall affect the rights of creditors of persons deceased or the rights of the creditors of the heirs or legatees of such persons, as established by the general law.

(Legacy Indivisible.)

Section 16. Each inheritance or legacy is indivisible, and must be accepted or renounced for the whole; and the heir or legatee shall not be entitled to be placed in possession of the same, and shall be without right or capacity to alienate any part thereof, until the tax on the whole shall have been fixed and paid, or until it shall have been judicially determined, in the manner herein provided, that no part of the same is subject to the tax imposed by this Act.

(Prohibiting Delivery of Effects Before Tax Is Paid.)

Section 17. (As amended and re-enacted by Act No. 301 of 1914.) The governing authority of a Subdivision incurring debt and

issuing bonds as herein contemplated, shall annually, at the same time that the other taxes are levied, or at any other time, in addition to all other taxes now authorized by the Constitution and laws of the State of Louisiana, and in addition to any special tax that may be levied at any election called and held for that purpose, levy a tax sufficient to pay the interest and principal on said bonds becoming due the ensuing year. When a period is fixed at which such bonds shall begin to mature, the total amount of indebtedness shall be divided among the number of years in which payments are to be made and the principal to be paid each year, fixed at such amount that when the total annual interest is added thereto the amount to be paid each year shall be as nearly equal and uniform as possible. Such tax may be levied and extended upon the assessment roll at any time prior to the final collection of the taxes for that particular year. If the authority herein authorized to levy and assess such tax should fail, neglect or refuse to do so before the completion of the assessment rolls, the Auditor of Public Accounts shall be authorized and it shall be his duty to name the rate of such tax and order same extended upon the assessment rolls and collected.

(Maturity of Bonds Must Be Fixed, S. 28, A. 256, '10.)

Whenever a debt has been authorized to be incurred, the governing authority issuing bonds to evidence such debt shall fix a time certain at which the bonds shall begin to mature, which shall not be longer than five years from the date of said bonds. After fixing such date, then the governing authorities shall fix the denomination of the bonds due each year thereafter for an amount that when the annual interest is added thereto the total amount to be paid, including principal and interest, each year shall be as nearly equal as practicable.

(Bonds Shall Be Registered by Secretary of State, S. 31, A. 256, '10.)

All bonds issued by any of the subdivisions of the State as herein defined, shall, after the time has elapsed in which the validity of such bonds can be contested, to-wit, sixty days from the date of the promulgation of the result of the election, incurring the debt and ordering the issuing of such bonds, be registered by the Secretary of State and shall have endorsed thereon

the words: "This bond secured by a tax. Registered on this the _____ day of _____, 19—," and signed by the Secretary of State with the Great Seal of Louisiana affixed.

(Election Officers Vested with Same Authority as in General Elections, S. 32, A. 256, '10.)

The commissioners and clerks of elections held under the provisions of this Act shall have the same powers and duties in conducting said elections and in preserving order at the polls, as are conferred and imposed upon such officers under the general election laws of this State; and that whatever is declared in the general election laws to be a felony, other crime, or misdemeanor, shall be such for any election held under the provisions of this Act, and shall be punished in the same manner; that any willful failure or neglect to comply with the requirements of this Act or any willful violation of same, by any officer, agent, or employee, of any subdivision herein defined, availing itself of the provisions of this Act, shall be a crime and shall be punished by a fine of not less than twenty-five dollars nor more than five hundred dollars, or by imprisonment not exceeding one year, with or without hard labor, or by both such fine or imprisonment, at the discretion of the court.

(All Special Tax Elections Hereafter, Governed by This Act, S. 33, A. 256, '10.)

Nothing in this Act shall be held or construed to invalidate, or render illegal the acts, proceedings, elections, taxes, debts, bonds, ordinances, resolutions, bids, agreements, contracts or obligations, done, had, held, levied, authorized to be levied, incurred, authorized to be incurred, issued, authorized to be issued, adopted, accepted, or entered into, pursuant to any article of the Constitution, by any subdivision herein named (the City of New Orleans excepted) prior to the passage of this Act; that any provision in the charter of any municipal corporation of this State (the City of New Orleans excepted) in conflict with the provisions of this Act for the immediate submission of the proposition herein specified to the property taxpayers of said corporation in an election ordered by same under this Act and for the immediate levy of said tax when duly authorized, be and the same, insofar as it is in conflict therewith, is hereby repealed.

Opinion of Attorney General Guion on Qualifications of Voters in Special School Tax Elections.

1. A person who may have purchased property from another, in whose name the same was standing, may vote at a special election, as the owner of such property, although his name does not appear on the assessment roll, for Act No 256 of 1910 provides, in Section 4, that it is "property taxpayers, qualified as electors under the Constitution and laws of this State" who may vote at such elections.

The law does not indicate that the property should be assessed in the name of the voter, but that he should be the owner of the property, or, in other words, the taxpayer who offers to vote. In other words, where property is assessed in the name of a certain person, who sells the same, the purchaser may vote at a special tax election, the value of such property, although the property is assessed in the name of another.

2. A qualified voter, owning property, may vote the same at such election, if registered as a voter and if he has paid his poll taxes, and his signature may be made by making his ordinary mark attested by the commissioners of election.

3. The registration books must close thirty days before the election, for Article 213 of the Constitution of 1898 declares that "electors shall not be registered within thirty days next preceding any election at which they may offer to vote."

(The above opinion was rendered August 24, 1911.)

Opinion Given by Attorney General Pleasant on Qualifications of Voters in Special School Tax Elections.

MAN.

1. Must be twenty-one years of age, or older, and resident of taxing district.

2. Must be duly registered as voter more than thirty days before the election.

3. Must have been assessed, in the taxing district to be affected, with property the year previous to the year in which the special election is held.

4. Payment of necessary poll taxes is required—that is, men between the ages of twenty-one and twenty-three must have paid all poll taxes assessed against them, and men between the ages of

twenty-three and sixty must have paid poll taxes for and during the two years next preceding the year in which they offer to vote, but men over the age of sixty are not required to pay poll taxes.

5. If residence has been changed from precinct less than six months before the election, voter may return and cast his ballot in said precinct. If he has lived in the new precinct more than six months, he must change his registration to the new precinct in order to vote, as he cannot vote in the old precinct.

6. A man cannot vote by proxy, neither can he vote his property by proxy. He must cast his ballot personally for himself and for his property.

WOMAN.

1. Must be twenty-one years of age, or older, and resident of taxing district.

2. Same as paragraph 3, supra, with reference to men.

3. May vote without registration or poll tax, and either in person or by any agent authorized in writing.

PROPERTY.

1. All assessed personal and real property, located anywhere in the taxing district, owned by voter in separate estate may be voted (except such as may be indicated below).

2. The survivor in community, whose interest in the community is judicially established and assessed, may vote the property.

3. A resident taxpayer owning shares of stock in a bank within the limits of a taxing district may vote the property.

4. A usufructuary is not a property taxpayer with respect to the property subject to the usufruct and cannot vote the property.

5. Decedents' estates cannot be voted.

6. Joint owners of assessed property may vote, each to the extent of his individual interest, but the property must not be owned by the firm and in a firm name, such as "Jones Bros." or "John Doe & Co;" but, if owned by Robert Jones and Edward Jones, for instance, the title must so show, giving their names specifically, in which event it may be voted as above indicated. See 112 La. Rep., p. 783.

7. Corporations cannot vote, nor can the shares therein be

voted, except bank stock, as above shown (see tax statute of 1898). Neither can any other kind of company or association of persons, as such, vote, nor will the signatures of same give effect to a petition calling for an election.

See Constitution, Art. 197, et seq.; Articles 270 and 281; Act 20 of 1898; Act 22 of 1904; Sec. 3 of Act 145 of 1902; Act 218 of 1912.

(Date of above opinion, May 18, 1914.)

(Agriculture and Home Economics to Be Taught in Schools, A. 306, '10.)

In addition to the branches in which instruction is now given in the public schools of the State of Louisiana, instruction shall also be given in all the elementary and secondary schools of the State in the principles of agriculture or horticulture and in home and farm economy.

(Assessing the Poll Tax, S. 1, A. 89, '88.)

The Tax Assessors throughout the State be and they are hereby required to render to the School Boards of their respective parishes, annually, by the first Saturday of October, a complete schedule list, by wards, of all persons liable to pay poll tax in their respective parishes. If any Assessor fails to comply with the requirements of this Act, the failure shall be cause for removal; besides, he shall be subject to a fine of \$250 for the benefit of the public schools in the parish in which the delinquent officer resides, and in which he is the Assessor. In the City of New Orleans the Board of Assessors shall comply with the requirement of this Act, and in the event of failure, shall be subject to dismissal and penalty as before provided. (See Arts. 231 and 252, Constitution of 1898.)

(Returns of Collections, S. 2, A. 89, '88.)

The Sheriffs and Tax Collectors in their respective parishes shall return, by the first Saturday of February, of each and every year, to the School Boards of their respective parishes, a list predicated upon the list mentioned by wards, showing all persons in the parishes, respectively, who have paid their poll tax, as well as persons who have not paid the same, and shall return their reasons in writing and under oath, the cause in each instance of the non-payment of a poll tax, and why they have not collected the tax not collected.

(Penalties, S. 3, A. 89, '88.)

If the said Sheriff or Tax Collector fails to show cause why the said poll tax has not been collected, he shall be responsible for and shall pay the poll taxes he has failed to collect, and shall be held liable with his securities on his official bond for the payment of said tax.

(Rules for Non-Compliance, S. 4, A. 89, '98.)

The Sheriff can be made to show cause why the said poll tax has not been collected, at chambers, before the district judge, after service of rule and three days have elapsed after service.

(Receipt for Poll Tax, S. 1, A. 87, '86.)

Before any persons serving as jurors or witnesses in criminal cases shall receive the compensation to which they are entitled for their mileage and per diem, they shall exhibit to the clerk of the court a receipt for the poll tax or taxes due by them.

(Deduction of Witnesses' and Jurors' Compensation, for Poll Tax, S. 2, A. 87, '86.)

On their failure to produce such receipt the clerk of court or other officer, issuing certificates or warrants for their mileage and per diem, shall issue certificates or warrants for amount less the poll tax due, and shall issue the certificate or warrants for amounts so reserved for poll tax, to the treasurer of the school board of the parish, who shall collect same.

(Report by the Clerk of Court, S. 3, A. 87, '86.)

The clerk of court or other officer, issuing such certificates or warrants, shall report to the tax collector of the parish the names of all persons from whom he has reserved amounts for poll tax, and the tax collector shall give such person credit for such poll tax.

NOTE.—The custom of some tax collectors of claiming and collecting commissions for the retention of polls by the Clerks of Court is without foundation in law, as the tax collector in no sense collects the tax and is entitled to no commission thereon.

(Poll Tax Collections of Orleans, S. 1, A. 56, '94.)

The collections of poll taxes in the Parish of Orleans, together with all the processes, commissions and obligations incident thereto as now provided by law, are vested in the treasurer of the City of New Orleans.

(Election on Sale of School Lands, S. 2958, R. S.)

It shall be the duty of the parish treasurers of the several parishes in this State to have taken the sense of the inhabitants of the township, to which they may belong, any lands heretofore reserved and appropriated by Congress for the use of schools, whether or not the same shall be sold, and the proceeds invested as authorized by an Act of Congress, approved February 15, 1843. * * * Polls shall be opened and held in each township after advertisement, for thirty days, at three of the most public places in the town, and at the courthouse door, and the sense of the legal voters therein shall be taken within the usual hours, and in the usual manner of holding elections, which elections shall be held and votes received by a member of the parish school board or a justice of the peace; and if a majority of the legal voters be in favor of selling the school lands therein, the same may be sold, but not otherwise. The result of all such elections shall be transmitted to the parish treasurer, and by him to the State Superintendents.

NOTE.—Act 120, 1916, makes it the duty of the parish school boards to take entire charge of elections to authorize the sale of sixteenth sections, and to sell same when authorized by the voters in the townships. The parish treasurer no longer has any connection with these matters.

(Survey, S. 2959, R. S.)

Before making sale of the school lands belonging to the State, it shall be the duty of the parish treasurer, or other persons whose duty it may become to superintend the sales, to cause a resurvey of such lines as from any cause may have become obliterated or uncertain; and for this purpose he is authorized to employ the parish surveyor, or on his default, any competent surveyor; and the lines thus surveyed shall be marked in such manner as to enable those interested to make a thorough examination before sale, and all advertisements made for the sale of such lands shall contain a full description thereof according to the original survey and that required by this section. The expenses of the survey shall be paid by the Auditor of Public Accounts out of the proceeds of the sale of the lands on the warrant of the parish treasurer.

NOTE.—The State is the trustee of these lands or of the proceeds of their sale for the use of the inhabitants of the township in which they are located—*vide*, Board of School Directors vs. Ober, 32 A. 419.

(Rights of Way May Be Granted to the United States by the School Boards, A. 14, '08.)

The Parish Board of School Directors of any parish within the State shall have authority by resolution duly passed by said board, when in its judgment it is to the manifest interest of the public in general, and in order to facilitate the construction, maintenance and operation of canals, or a portion of a canal, or branch of any canal, constructed by or under the authority of the United States for the purpose of transportation or for purposes of extension or improvement of the public waterways, to donate to the United States of America rights of way over and across any of the lands belonging to the public schools located within the parish in which said board is constituted or organized, which grant or donation may be made without any previous advertisement thereof, when authorized by a resolution of said board to sign an act of conveyance evidencing such grant or donation; provided, however, that the said Parish Boards of School Directors shall in every case reserve the right to control, occupy and use any part of said rights of way not actually needed by the United States in the manner and to the same extent as before conveying said rights of way, and also the right to transfer, lease, quit-claim, or otherwise dispose of the said rights of way and every part thereof, subject to the grant made to the United States.

(Sale on the Order of the Auditor, S. 2960, R. S.)

If the majority of the votes taken in a township shall give their assent to the sale of the lands aforesaid, the parish treasurer shall forthwith notify the Auditor of Public Accounts of the vote thus taken, and upon his order the said lands shall be sold by the parish treasurer, at public auction, before the courthouse door, by the sheriff or an auctioneer to be employed by the treasurer at his expense, to the highest bidder, in quantities not less than 40 acres, nor more than 160, after having been previously appraised by three sworn appraisers, selected by the parish treasurer and recorder of the parish, after thirty (30) days' advertisement, but in no case at a less sum than the appraised value, payable on a credit of ten years, as follows: ten per cent in cash and the balance in nine annual installments, the interest to be paid on the whole

amount, annually, at the rate of eight per cent per annum; the notes shall be made payable to the Auditor of Public Accounts, secured by special mortgage on the land sold, and personal security in solido, until final payment of principal and interest; in event of the purchaser neglecting or refusing to pay any of these installments or interest at maturity, the mortgage shall be forthwith closed, and the parish treasurer is hereby authorized to advertise and sell the land as before provided for, and further authorized and required to execute all acts of sale on behalf of the State for any such lands sold, to receive the cash payment and notes given for the purchase, which shall be made payable to the State Treasurer, and to place the same in the office of the Auditor of Public Accounts for collection; all cash received, either for principal or interest, from said sales shall be transmitted by him to the State Treasurer, and any moneys thus received into the State Treasury from sales aforesaid shall bear interest at the rate of four per cent per annum, and be credited to the township to which the same belongs according to the provisions of the Act of Congress. The parish treasurer shall forthwith notify the State Superintendent of the results of all sales made by him. The parish treasurer shall be authorized to receive the whole amount bid for the lands, deducting the eight per cent interest which the credits will bear. (See Supreme Court decision as to price, etc.)

NOTE.—The above act has been amended by Act 57 of '84, changing 6 per cent to 4 per cent.

(Sale of Uninhabitable Lands, S. 1, A. 108, '94.)

All sixteenth section lands located in a township not habitable by reason of the land being swamp or sea marsh, the school board of the parish in which such lands are located may present an application for sale of such sixteenth section land to the Auditor of Public Accounts, in which they shall set forth the location of the township, its character and the reason upon which a sale is desired, and upon receipt of such application duly signed by the president and secretary thereof, the Auditor may authorize the sale, if in his judgment a sale should be made.

(Sale Conducted in the Same Manner as Others, S. 2, A. 168, '94.)

In case a sale is ordered as provided for in Section 1 of this Act, the parish treasurer shall make such sale in the same manner,

and upon the terms and conditions as is now provided by law, for the sale of sixteenth section lands; provided this Act shall not apply to sixteenth sections now leased to parties for a term of years.

(Sale of Sections Divided by Parish Lines, A. 147, '57.)

When the sixteenth section of any township is divided by a parish line, the treasurer of the parish in which a greater portion of the section may lie, shall proceed to take the sense of the people of the township, and to sell the same as provided by law, as if the whole section lay in his parish; provided, that the same shall be advertised at the courthouses of both parishes.

(Treasurer's Commission, A. 33, '59.)

Parish treasurers of the several parishes shall be entitled to retain out of the proceeds of the sale of sixteenth sections effected by them a percentage of two and one-half on the amount of said sales, to be deducted from the cash payment, and the same shall be in full compensation of their services.

(Proceeds of Lands Accruing to Townships, S. 2963, R. S.)

All moneys that have been or may hereafter be received into the State Treasury, and the interest that has or may accrue thereon from the sale of sixteenth sections of school lands or the school land warrants belonging to the various townships in the State, shall be placed to the credit of the township, and should the people of any township desire to receive for the use of the schools therein the annual interest payable by the State on funds deposited to their credit, or the annual proceeds of the loans, the parish treasurer shall, on the petition of five legal voters in any such township, order an election to be held in the township, as provided for the sale of township lands; and if a majority of any number of votes above seven be in favor of receiving annually the accruing interest as aforesaid, the same shall be paid to the treasurer of the parish for the use of the township or district; otherwise the interest shall be an accumulating fund to their credit until called for.

(Mode of Annuling Sales, S. 2965, R. S.)

In all cases of the sale of the school lands known as sixteenth sections, heretofore made, where the purchase money has not been paid, the purchaser or purchasers shall have the right to annul

the sale upon application to the district court of the parish where the land is situated; provided, that the judgment of nullity shall be obtained at the cost of the applicant and contradictorily with the district attorney, in conjunction with the school directors of the district in which said land is situated, who shall be made a party defendant in such suit; provided, also, that it shall appear upon the hearing that the value of the land has not been impaired by any act of the purchaser; and provided further, that nothing in this Act shall be so construed as to entitle the said purchaser to repayment of any part of the purchase money already paid.

(Auditor's Duty in the Collection of Notes, S. 1, A. 57, '84.)

It shall be the duty of the Auditor of Public Accounts, immediately on the passage of this Act, to forward for collection to the treasurer of the school board in their respective parishes throughout the State, all the notes given for the purchase price of sixteenth sections, or any part thereof, known as free school lands, whenever any installment of said purchase price has become due or may become due, and it shall be the duty of said treasurer of the parish school board to receive and receipt for same.

(School Board Treasurer's Duty in the Collection of Notes, S. 2, A. 57, '84.)

It shall be the duty of the treasurer of the parish school board, on receipt of the notes due and given for said sixteenth sections, to immediately notify the principal and his sureties, in writing, of the amount of said note, principal and interest, due and unpaid; provided, said lands for which said notes were given are still in possession of the original purchaser, and if in the possession of other parties, such possessors shall also be likewise notified of all the demands, principals and interest, against said lands, and if all the demands against the same be not satisfied within thirty days from said notice, it shall be the duty of the treasurer of the parish school board to turn over said notes to the district attorney for said district, or other attorney selected by the school board, for suit; and provided further, that said notice shall serve as a bar to prescription, which shall only begin to run from the service of said notice.

(Attorney's Duty in the Collection of Notes, S. 3, A. 57, '84.)

It shall be the duty of said attorney to proceed without delay,

by all necessary legal processes, and without depositing clerk's or sheriff's costs, or giving security therefor, to collect all such notes as may be turned over to him by said treasurer of the parish school board, and given for sixteenth sections, known as free school lands, and if any of the conservatory writs shall be found to be necessary in order to aid in said collection, it shall be lawful to issue the same, without giving bond as required in other cases.

(Attorney's Compensation, S. 4, A. 57, '84.)

The said attorney shall receive ten per cent of all moneys collected by him on notes given for sixteenth sections, and after deducting said ten per cent he shall turn over the remainder to the treasurer of the school fund for the parish in which the lands are situated, and the same shall be transmitted through the Auditor of Accounts, by said treasurer, to the State Treasurer; and any moneys thus received into the State Treasury from said collections shall bear interest at the rate of four per cent per annum, and be credited to the township to which the same belongs, according to the provisions of the Act of Congress.

(When Scrip May Issue, S. 2952, R. S.)

When such locations cannot be made, if deemed more advantageous to the State, the Register, with the assent of the Federal Government, is authorized to issue scrip for such lands, which scrip shall not be sold for a less amount than one dollar and twenty-five cents per acre.

(Duty of the Auditor in Fixing Capital Due the Townships, A. 96, '86.)

It shall be the duty of the Auditor of Public Accounts, by the 1st day of January, 1887, to ascertain the amount of capital that may be due the several townships from the proceeds of the sales of sixteenth sections, made since the 1st of January, 1880, and actually paid into the State Treasury. The amount thus ascertained shall be the capital upon which interest shall thereafter be allowed and paid out of the interest collected on the said bonds to the townships, the sixteenth sections of which have been sold since the 1st of January, 1880, and the proceeds actually paid into the State Treasury, and the proceeds so paid invested as required by law.

In calculating the interest due the several townships, no inter-

est shall be allowed for fractions of the year during which the receipts shall have come into the treasury; but it shall commence at the beginning of the first of January of the next year.

The interest due upon the capital ascertained as aforesaid, and the interest due upon subsequent sales, shall be paid to the township in the manner now provided for by law. It shall be the duty of the Auditor to furnish the Treasurer and Superintendent of Public Education with a statement of the amount due each township.

Section 4. That the Register shall not issue a patent to the

(Reservation of School Lands, A. 316, '55.)

The Register of the State Land Office is required to ascertain in what township in this State there are no reservations of school sections by reason of conflicting claims or from any other cause, or where the reservation is less than contemplated

by law; and in such cases it is made his duty under the superintendence of the Governor, to apply for, and as soon as possible, obtain a location of any land or part of land in lieu thereof.

(Grants and Reservations.)

The lands granted in the States and reserved in the Territories for educational purposes by Acts of Congress from 1785 to June 30, 1830, were:

(For Public or Common Schools.)

(For Seminaries or Universities.)

Land in place, 1,770,000 acres; land scrip, 7,830,000; total, 9,600,000 acres.

In all, 78,659,439 acres for educational purposes under the heads above set out to June 30, 1880.

The lands thus ceded to the several States were disposed of or are held for disposition, and the proceeds used as permanent endowments for common school funds. (See Report of the Commissioner of Education, Hon. John Eaton, to June 30, 1880; land and auditors' reports for the several land States; Kiddle & Schem's Dictionary of Education; and also ninth census, E. A.

Walker, superintendent, for details of endowments of the several States for common schools resulting from the sales of United States land grants for education.) As an illustration, the State of Ohio has a permanent endowment for education, called the "Irreducible State Debt," the result of sale of all granted lands for education, of \$1,289,718.52.

(Price of Seminary Lands, S. 2954, R. S.)

DECISIONS OF SUPREME COURT.

(Discipline.)

Moderate restraint and correction of a pupil by a teacher is not an offense, but is authorized by law, and the authority of the teacher is not limited to the time the pupil is at the school-room or under the actual control of the teacher. (Bolding vs. Texas, 4 S. W., 579.)

“The teacher is *loco parentis*, and authority is necessarily surrendered to him for proper government of the school.” (Morrow vs. Wood, American Law Register, N. S. X. 3, 692.)

Relative to punishment, the calm and honest judgment of the teacher, as to the requirement, should have great weight in matters of discipline as in the case of a parent under similar circumstances. (American Law Register, Van Vacter vs. State; July number, 1888. Discipline in School.)

It is the duty of a teacher to maintain proper discipline in school, and the extent of his authority in that direction is discussed. (Law Register, N. S. Vol. XIII, p. 716.)

(District Attorneys Not Entitled to 20 Per Cent Commission on Fines.)

Syllabus: Whilst it is well settled that repeals by implication

are not favored, it is equally well settled that, in determining whether one law conflicts with another, it is necessary to consider the purposes of both, and if it appears that the purpose of the law last enacted is to cover the whole subject matter dealt with by and to modify or supercede those previously enacted, their modification or supercession results and must be declared.

2. The purpose of Act No. 96 of 1880 was to deal with the whole subject of the duties and compensation of district attorneys, and whilst there may have been some provisions of the then existing law which escaped its operation, it so modified and superceded that law as to preclude any recovery by the district attorneys of the one-fifth part of the fines imposed, after deducting the commission of the sheriff, in addition to the fee provided by Section 3 of said act.

3. Articles 125 and 180 of the Constitution, whether taken separately or together, are not susceptible of the construction that they intend to allow district attorneys to collect commissions, as contradistinguished from fee, or fees, save as provided for by the Constitution itself.

It is therefore ordered, adjudged and decreed, that the judgment of the Court of Appeal which is here made the subject of review be annulled; that the judgment of the District Court, which was thereby affirmed, be likewise annulled, avoided and reversed, and that relator's demand be rejected and this proceeding dismissed at his cost. (State ex rel. Edwin Broussard, District Attorney, vs. George Henderson, Sheriff, 120 Ann. 535.)

(Taxes Collected for School Purposes Must Be Turned Over to School Board.)

Taxes collected for school purposes should be turned over to the school board from time to time as received. (Parish Board of School Directors of Iberia Parish vs. Police Jury of Iberia Parish, 123d Ann., 416.)

(Property Exempt from Taxation by Constitution Also Exempt from Special School Tax.)

The special school tax authorized by Constitution Art. 232, is not a special assessment, and property exempt from taxation by the Constitution is not subject to it. (Louisiana & N. W. R. R. Co. vs. State Board of Appraisers, 120th Ann., 471.)

(Members of Partnership Entitled to Vote Upon Firm's Assessment in Special Tax Elections.)

Individual members of a partnership held entitled to vote upon the firm's assessment in a special tax election held under Constitution Art. 232. (Smith vs. Parish Board of School Directors, 125th Ann., 987.)

(Persons Not Entitled to Vote Upon Assessment of Property Sold.)

A person appearing as owner of property on the assessment rolls, but who has sold it when an election was held under Constitution Art. 232, held not entitled to vote thereat. (Smith vs. Parish Board of School Directors, 125th Ann., 987.)

(Special Tax Not Set Aside by Legal Votes Cast Without Proper Evidence.)

A special tax election under Constitution Art. 232, held not to be set aside because the commissioner of election received votes without proper evidence, where such votes were legal. (Smith vs. Parish Board of School Directors, 125th Ann., 987.)

(Right of Widows to Vote Community Property.)

To entitle widows to vote at a special tax election held under Constitution Art. 232, as owners of community property, their rights must clearly appear by judgment or order of court. (Smith vs. Parish Board of School Directors, 125th Ann., 987.)

(School Houses, as Such, Built by Means of Special Tax, Can Not Be Converted Into Theatre.)

Citizens who have voted to tax themselves for a specific work of public improvement, the value of which is fixed at \$20,000, have a standing in court to complain that the property acquired is not being used for the purpose contemplated, and this court, in such case, has jurisdiction of the appeal. Where a vote has been taken upon a proposition to impose a tax to build a school-house, and has been favorably acted on, and a building has been constructed with the proceeds of bonds predicated upon such a tax, it would be a breach of faith to allow such building to be converted into a theatre, or to be used for the purpose of giving theatrical performances, as a business, whether in combination with its use for school purposes or otherwise. It is, however, within the discretion of the municipal authorities having control

of the property to make such casual and incidental use of it as may not be inconsistent with or prejudicial to, the main purpose for which it was acquired; and changed conditions, in the future, may justify its use for some other purpose. (Sugar vs. City of Monroe, 108th Ann., 677.)
